 - (i) Give a description of the visual that you would like to use for the product.
 - (ii) Write out the utterances / speeches that would be used in your TV advertisement.
- (c) Write a precis of the following passage.

Trees not only supply us with many of the conveniences of our daily life, they do much more than that. They support the life of living things. They help to replace the oxygen that get used up when living things breathe. We know that if our oxygen supply is stopped, we will not be able to live for long. The oxygen in the air is constantly being used up and turned into carbon dioxide from the air, and with the help of sunlight break it up into carbon and oxygen, and the carbon is used to make starch and the oxygen is released into the atmosphere. That is how trees help to replace the oxygen in the atmosphere which is constantly being used up.
